5. Public Forum (Comments Limited to 3 Minutes)
Melvin King addressed the Mayor & Commissioners about an issue at 123 Chenocetah concerning a 12 to 13 inch shoulder drop off. City Manager Anderson said the project that is currently ongoing in that area would fix the problem. He was also concerned about the rough surface at the underpass and the railroad. City Manager Anderson stated the City is responsible for maintenance at the underpass and Norfolk Railroad is responsible for the railroad crossing. Mayor Borrow said that state representatives are working to try and find a solution with the railroad.
Jennifer Hicks asks the commission to help her with a safe route to school when her son misses the bus. She said she lives on Lee St. and there are always 18 Wheeler's around Circle of Hope and that she does not feel that it is safe for him to walk to school.
